**HOME & GARDEN
MAINTENANCE CO.**

We provide scheduled weekly, bi-weekly or monthly visits for:

All gardening

We put in place a gardening plan for the year ahead

Home painting & decorating

Interior and exterior

Cleaning

Including power hosing of patios, decks, pathways & driveways and those other tough home jobs

UPKEEP Home & Garden Maintenance Company will provide two hours maintenance work in your home or garden for just €50.00. Get all those tough interior and exterior jobs you've promised to get done, completed over the spring and summer.

Spreading your home and garden improvement costs over twelve months, not only makes maintenance more affordable, but your home will look great all year round!

Stephen and his team have years of experience and a proven track record: *Reliability, integrity and attention to detail are the hallmarks of our service. References are available on request.*

**SPRING
CLEAN**

“We'll help you put a plan in place for the year ahead”

- Tidy up the lawn and flower beds
- Power wash the patio, decking and garden furniture
- Refresh potted plants
- Cut hedges, prune shrubs and roses
- Wash the windows and paint the window sills
- Tackle the garden shed and declutter the garage
